

澳門大學研究生會監事會候選閣

——持衡閣參選政綱

一、閣徽

二、政綱核心精神

“持心如衡，以理為平”，出自明·劉伯溫《郁離子》。本閣以“持衡”為名，意為心中要有一桿秤來衡量是非善惡。“持衡”即為我們政綱的核心精神。工作中要有原則和底綫，時刻把心中的天平擺正，以至公無私之心，行正大光明之事，履諫言彈劾之責。不忘服務學生之初心。

三、工作重心

監事會作為監察及申訴機構，負責監督理事會日常運作與財務的合理運用，並受理意見、建議及投訴。在職能範圍內，遵照章程行使督察勸諫的權利時，要公平公正，不可徇私枉法。本閣認為，監事會的職責不僅僅在於彈劾違反規章的行為，更在於發現內部問題，防患于未然，為新一屆研究生會的良性發展提供保障。“清高太過則傷仁，和順太過則傷義”，要注意把持度，監事會雖然是監察及申訴機構，但也不宜固守陳規，自命清高，要加強各方溝通，以在研究生會內部

形成完善、廉潔、高效的工作體系為出發點和落腳點。本閣就新一屆監事會的工作重點，進行如下說明：

1. 認真履行義務，正確行使權力

本閣工作開展的首要前提，即遵守澳門大學研究生會的各项章程以及相關的法律法規，認真履行會員大會及常務委員會之決議，行使諫言監督之職責。工作中如有現實情況與之衝突，均以澳門大學研究生會的各项章程、決議及相關的法律法規為準則。

2. 優化閣內分工，明確責任到人

本閣由三名成員組成，閣內事物應有明確分工，且需確保每位本閣成員均保持作為會員的責任感、使命感、參與感。因此，本閣在新一屆監事會的工作安排上充分考慮成員的優勢和特長，將職責進行細化，明確成員的責任。監事長主要負責處理監督理事會及附屬組織的運作，財務的運用，提出相關意見和建議等各項事宜；副監事長可在監事長的委托下代為行使監事會之職責；秘書長主要負責申訴材料的收集和整理，並交由監事長審批。

3. 廣泛聽取意見，推動良性發展

首先，要為大家構建建議及投訴的渠道，從長期的角度，可以在辦公室設立匿名意見箱；從短期角度，可以以調查問卷的形式收集民意。同時如有同學與研會產生矛盾衝突，監事會應出面做出反饋，調和矛盾。其次，定期在研究生會內部匿名徵集意見和建

議，增強會員的責任意識，和自省能力；最後，秉持著公平公正公開的原則，將整理好的合理意見及時反映給會員大會作出調整。本閣希望構建一個完善的申訴體系，從而實現澳門大學研究生會的可持續健康發展。同時，也能為澳門大學研究生會更好的服務全體澳門大學研究生提供保障。

4. 保持清正廉潔，奉行公平公正

監事會作為監察機構需要高度的自律精神，本著懲惡揚善的職責，對於違反澳門大學研究生會的各项章程以及相關的法律法規的行為絕不姑息。一切需要法律法規監督的行為，絕不放鬆警惕，嚴格審查經費預算，核實活動流程。保證各項決議公平公正的執行是我們的使命。要有與不規範行為說“不”的勇氣，認真對待手中的權力。在全會上下形成清正廉潔的氛圍。

新一屆研究生會成員的選拔是我們面臨的第一個考驗，在新一屆的研究生會的選拔面試中，本閣會奉行公平、公正、公開的原則全程參與監督，保證每位候選人都有平等的選拔機會。一旦發現徇私舞弊、拉幫結派的行為絕不姑息。爭取為研究生會選拔出志同道合的真正人才，充滿活力的新鮮血液。

5. 加強自身監督，提高工作質量

定期進行工作總結，進行外部監督的同時，重視內部監督。做好自我監督、自我管理工作。本閣內部不可有以權謀私的行為，時

刻謹記服務于全體澳門大學研究生的初心和使命，做好研究生會與研究生溝通的橋梁。

儘工作與私人生活產生衝突，不可消極怠工，將全體研究生的利益放在首位，保證工作的質量和效率。面對工作中的挫折，本閣也會攜手并進，共克難關，決不輕言放棄。

四、展望未來

我們在上屆前輩的帶領下圓滿完成了 2019 年的工作，如若有幸當選，未來的路我們會接過他們的接力棒，切實履行監督之職責。本閣會秉持著“持衡”的精神，既要持心如衡，又要持之以恆。不忘初心，方得始終，記住現在的滿腔熱情，投入到今後的工作生活中。牢記我們的使命，共創美好的未來。

Platforms of Running in Election

Core Idea of Platforms

Our committee is named ChiHeng with the core idea "*Maintain the heart like a balance, take the justice as a principle*", meaning that there must be a scale in our heart to measure whether it right or wrong.

Priorities of Work

As the supervisory and appealing body, the board of supervisors is responsible for supervising the daily operation of the council and the rational use of finance, and accepting opinions, suggestions and complaints. Within the scope of functions, it must be with justice and equity to exercise the rights of supervising. And anything for personal gain should not be allowed. ChiHeng Committee believes that the duty of the Supervisory Board is not only to impeach violations of regulations, but also to discover internal problems and prevent them from happening beforehand, and provide protection for the healthy development of Postgraduate Association. Although the supervisory board is a monitoring and appealing institution, it is not appropriate to stick to the stereotypes and self-importance. Regarding a perfect, disinterested and efficient system as the ultimate objective, our committee clarifies the following explanations on the priorities of work for a new supervisory board:

Earnestly Fulfill Obligations and Correctly Exercise Rights

The prerequisite for the work of ChiHeng Committee is to comply with the regulations of Postgraduate Association in the University of Macau, to earnestly

implement the resolutions of General Assembly and Standing Committee, and to exercise the responsibility of supervision. If there is any conflict in our actual work, all regulations, resolutions and relevant laws of Postgraduate Association in the University of Macau shall be our guidelines.

Optimize Division of Work and Clarify Individual Responsibility in Committee

ChiHeng Committee is composed of three members and specifies clear division of work. It requires every member to maintain a sense of responsibility, mission, and participation as a part of Postgraduate Association. Therefore, in the work arrangement as a nominated Supervisory Board, our committee fully considers the strengths of members, refines their obligations and clarifies their responsibilities. Supervisor General is mainly responsible for the operations of Supervisory Board and its affiliated organizations, the use of finance, and putting forward relevant suggestions; Deputy Supervisor will perform above duties under the authority of Supervisor General; Secretary General takes the charge of collecting and sorting appeal materials, and submitting to Supervisor General for approval.

Take Advises Extensively and Promote Healthy Development

ChiHeng Committee is devoted to build a channel for collecting suggestions and complaints. From a long-term perspective, an anonymous suggestion box is welcomed; from a short-term perspective, collecting public opinions by questionnaire is also feasible. We also plan to regularly collect suggestions anonymously within Postgraduate Association to enhance the members' sense of responsibility and self-reflection. Adhering to the principle of fairness, justice and openness, our committee will timely reflect reasonable opinions to General Assembly for adjustment. ChiHeng Committee believes that building a perfect appealing system must achieve the sustainable and healthy development of Postgraduate Association and provide better services for students in the UM.

Maintain Probity and Pursue Justice

As a supervisory body, the Supervisory Board requires a high degree of self-discipline. Based on the duty of punishing vice and praising virtue, ChiHeng Committee will never condone the violation of the regulations of Postgraduate Association in University of Macau. All actions that require supervision by laws and regulations will never be neglected. We will strictly review the budget and verify every process of activities. It is our mission to ensure just and equitable implementation of resolutions. We have the courage to say "no" to every irregular behavior and the ability to take our rights seriously, in order to form a clean and honest atmosphere around Postgraduate Association.

The selection of new members of Postgraduate Association is our first challenge. While interviewing candidates, ChiHeng Committee will exercise the rights of supervision, following the principles of fairness, justice and openness, and ensuring that every candidate owns equal opportunities. Once the behaviors of favoritism and cheating are discovered, they will never be tolerated. We strive to select the like-minded and active talents for the Postgraduate Association.

Strengthen Self-Supervision and Improve Service Quality

ChiHeng Committee will regularly summarize our work and attach importance to self-management while conducting external supervision. No behavior to abuse of power for personal gains will be allowed. We aim to be a bridge between students and Postgraduate Association, remembering the original intention and mission to serve all postgraduate students in the University of Macau.

When the work conflicts with private life, we must put the interests of all postgraduate students first and ensure the quality and efficiency of work, without repulsion and sabotage. Face with setbacks in the work, ChiHeng Committee will also overcome difficulties and never give up.

Prospects

We have successfully completed the work of 2019 under the leadership of the predecessors. In the future, we will take over their batons and lead the postgraduate association to move forward. ChiHeng Committee will uphold our core spirit with balance and persistent. Only remembering the original intention can direct to a bright end. Thus, we will devote to future work, always keeping enthusiasm. As the spokesperson of all postgraduate students in the University of Macau, ChiHeng Committee will remember our mission and work with all postgraduate students to create a better future.
